Description

Our single station Shower / Restroom Combo Wheelchair Accessible trailer features a spacious floor plan including (1) private shower/restroom suite. The Wheelchair Accessible restroom suite meets ADA regulations in most US states with a 36"W door entry, Interior turning radius and exterior landing turning radius, and Handrails and grab bars are 1-1/2" stainless steel. The interior includes a unisex Wheelchair Accessible unisex suite that includes 1 wheelchair-accessible sink, faucet, and door handle; and china flushable toilet with mounted push button control module. Along with these amenities, this combo also contains a wheelchair accessible shower complete with grab rails. **(Shower area does not meet ADA specifications, but Restroom area does comply)**

This suite allows for a full 360 turning radius for wheelchairs, assistance grab rails, and fold up exterior ramp. The trailer also features a smooth mar resistant laminated interior, insulated walls, 1 piece ceiling with built-in air supply and return and fully climate controlled, with a low profile 9MBTU roof mounted air conditioner, and 5600 BTU heat strips. LED porch lighting at each entry door and 1-piece non-skid rubber flooring ensures a safe entry/exit no matter what time of day or night.

**FACTORY UPGRADES AVAILABLE:**  
**3-Season Package: + \$1,400.00 (Can be added Postproduction)**  
**Full Winter Package: + \$4,000.00 (1 trailer available)**
